*Proud Supporters of the Marching Defenders*

The Bryan Station Band Association is proud to announce that the Marching Defenders completed one of their most successful seasons in recent memory. In January of 2007, the Defenders settled into a state of the art band room in the newly completed school with high hopes of continued success.

These are exciting times for the band. The Marching Defenders qualified and competed in the Kentucky Music Educators Association Marching Band Championships for the first time in class 5A. These are also challenging times. The cost of two busses to travel to Louisville for the KMEA Championships exceeded \$2000.00! The 2009 season was completed with 13 year old uniforms and borrowed color guard equipment. In addition to replacing these items, the band must also purchase music, SmartMusic Subscriptions, repair, maintain and replace aging instruments, and construct an observation tower for its outdoor marching rehearsal facility.

The Association is committed to providing students with the instruments and equipment needed to grow and improve. We host several annual events throughout the year as fundraisers including the highly successful Bluegrass Pageant of the Bands. We are proud to offer you an opportunity to show your support for Bryan Station at this event and others through our new Community Sponsorship program. Please take a moment to consider how much your tax-deductible contribution will mean to this talented group of students. If you have any questions about the program, or if you would like to contribute in some other way, please feel free to contact me. I can be reached by phone at 859-421-3572 or e-mail at [Peace.lori@yahoo.com](mailto:Peace.lori@yahoo.com). Thank you for your time.

Sincerely,

Lori Peace  
Vice President for Corporate Sponsorships
